THE SHOE GALLERIES

The Shoe Galleries are the perfect place to while away the hours in sheer decadent pleasure. This luxurious space makes up the biggest and most impressive shoe department in Europe. There are six major salons, eleven brand boutiques and everything from Lanvin to Topshop. The boutiques are glamorous 'apartments' from the world's most iconic designers, with elements of their own living spaces as inspiration. From Christian Louboutin's trompe l'oeil chandelier to Jimmy Choo designer Tamara Mellon's gold foil ceiling, it is full on glamour.
